[Shodo Brush Calligraphy - Writing from the Heart \(4:37\)](#)

Shodo is the traditional Japanese art of writing with brush and ink. It uses many special techniques to add thickness to the end of a stroke and to create an emphatic stop. Shodo is far deeper than simply learning to write beautifully - it is a sincere and powerful art form.

Japan Video Topics, hosted by Web-Japan and the Ministry of Foreign Affairs, offers a comprehensive view of Japanese culture, nature, science and technology, and tourism.

[Highlighting Japan](#)

Japanese people have appreciated the changing colors of autumn since ancient times. In *Highlighting Japan Volume 160*, we introduce some famous spots for viewing the autumn foliage, as well as some of the beautiful creations that colorful autumn leaves have inspired.

Highlighting Japan is an official monthly online magazine to promote understanding of Japan for the people around the world, published by the Government of Japan.
